

Your Guide to After-hours Care

From fevers to falls, you can't predict when and why you'll need care. With HMSA, you have convenient care options that go beyond the doctor's office and emergency room.

- ✓ Connect with a doctor or health care provider securely on your computer or mobile device with HMSA's Online Care®.
- ✓ See a nurse practitioner at CVS/minuteclinic in selected Longs Drugs stores on Oahu.
- ✓ Go to a nearby urgent care clinic. See the list of participating providers on the back of this flier.

Urgent care isn't a substitute for emergency care. For life-threatening conditions such as difficulty breathing, stroke, or seizures, call 911 or go to the emergency room immediately.

AmericanWell® is an independent company providing the hosting and software services for HMSA's Online Care platform on behalf of HMSA.
